

Dear Third Grade Students and Families,

We are very excited that we will be working together next year to maximize your learning. The purpose of this letter is to welcome you and tell you about some of the things you can look forward to this fall. During the first week of school, we'll spend time on team building activities, getting to know each other, and learning the routines of our classroom and school. Throughout the year we'll be sharing experiences from books and butterflies, to wars and water, from sound and similes, to fractions and fun! Third grade is an exciting year full of challenges that will extend your thinking.

Enclosed please find a list of supplies that you will need for third grade. We hope you enjoy your summer vacation. We are eager to meet you. Please make sure to read the Bee Tree by Patricia Polacco and "just right books" for you.

Sincerely,

The Third Grade Team
